DETAILED ACTION

Specification

The abstract of the disclosure does not commence on a separate sheet in accordance with 37 CFR 1.52(b)(4). A new abstract of the disclosure is required and must be presented on a separate sheet, apart from any other text.

Claim Rejections - 35 USC § 112

The rejection has been withdrawn.

Claim Rejections - 35 USC § 103

The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

Claims 1-15, 17-35, and 37-41 are rejected under 35 U.S.C. 103(a) as being unpatentable over Bednar (5,832,460) in view of Chen (5,590,197), as set forth in the previous Office Action.

Claims 16 and 36 are rejected under 35 U.S.C. 103(a) as being unpatentable over Bednar and Chen as applied to claims 2, 3, 22, and 23 above, and in further view of Lawlor (5, 220,501), as set forth in the previous Office Action.

Response to Arguments

Applicant's arguments filed April 27, 2004 have been fully considered but they are not persuasive. The Applicant argues that Chen does not teach "an electronic payment system and method comprising a structured remittance data that is kept

Art Unit: 3624

hidden from the entity". In response, Chen teaches both public and private keys; the public and private keys are used to keep information hidden (col.5, lines 40-60). The information can be decrypted by the holder of the private key. Thus, the Examiner is interpreting Chen as reading onto the invention substantially as claimed.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
